

HOW DO I GET TESTED FOR COVID-19?

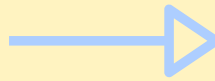

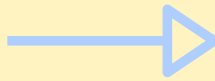

HOW TO GET TESTED

If symptomatic, schedule a **FREE** testing appointment

If **over 65** or have a **chronic underlying health condition**, you will have **priority testing** on the same or next day

process of testing appointment

Upon arriving, remain in your car and be sure to have your registration number and photo ID

You will receive a testing kit which has instructions that you should follow

You will receive the results of your test in a few days via email or phone

FULGENT APPOINTMENT PROCESS

1

Click **HERE** to schedule an appointment with Fulgent

2

Look in your email for further instructions regarding your appointment

3

Click on the link sent to your email and finalize your appointment

WHERE CAN I GET MEDICATION AND MASKS?

MEDICATION

Many pharmacies offer home delivery and drive through pick up options

You may ask your physician to send your prescription to a pharmacy and the pharmacy may be able to send the medicine to your home

MASKS

LA County is recommending the public to use their own face masks. **CLICK HERE** to find out how

If you are **outside** or **at work**, you should be wearing a face mask
